

Dear Parents/Guardians,

I hope you are all well and that your children are looking forward to returning to school with us on the Wednesday 1st September. I just wanted to outline what to expect on your child's first day back.

You will have received the details of start times and finishing times for week one in a previous email and if you need to you can check our school website, www.saggartns.ie , for this information under the Covid tab.

Children in the Lighthouse will have a start time of 9:15am, which will facilitate a drop off for parents in the usual way and also allow the children to be received into the school when things are calm and settled.

Children should walk directly to their classrooms where their class teacher will be there to receive them. Staff members will be on the corridors to facilitate this. No adults, other than staff members, should enter the school building.

Children in the Lighthouse will have a finish time of 1:40 for Infants and 2:40 for children 1st – 6th Classes. You will be able to drive in in the normal way at this time. Please note that the gates will not be opened until 2:40 as other classes will be walking out of the school before this time. All Lighthouse transport will be able to access the school at this time.

We appreciate your cooperation with this plan for day one and look forward to welcoming you and your child on 1st September.

If you have any additional queries please check our school website for information.

Kind Regards,

Suzanne Olwill

Principal
