Newsletter – 7th January 2022

Dear Parents,

Happy New Year to everyone in the school community, I hope that 2022 brings each family in our school happiness and health. Welcome back to all of the pupils, it is great to see the children back enjoying time with their friends and school staff again.

Our annual talent show in memory of Michaela Gonda will take place later in January, it was amazing to see the variety of talent across the school last year. Children can begin to think about which of their talents they would like to showcase this year and the teachers will be in touch shortly with the details.

Thank you to everyone for the continued co-operation with all of the Covid measures in place in the school and for the understanding as the school faces disruption due to staff shortages. Our support staff, myself and Ms Joyce will cover classes when needed next week and therefore there will continue to be disruption to the learning support timetables and contact with the office should be via email only. Every effort will be made to keep our classes open, in the event that classes need to move to online learning parents will be given as much notice as possible.

Children in 3rd to 6th class are required to wear masks in school unless they are exempt from doing so. Please ensure that your child has a mask with them each day. Generally, children in these classes have taken to wearing masks very well; children have breaks from mask wearing during PE, lunch and yard times.

I have attached the latest Covid 19 guidelines from the HSPC, this is an important document to refer to if your child is a close contact or has symptoms of Covid 19.

Kind regards,

Suzanne Olwill
Principal

Aoibhín Joyce
Acting Deputy Principal
