

Dear Parents,

An update from our student council

In the last few months we have been doing lots of different things to help out the school like Project Pencil and we have given €400 to the Simon Community of Ireland. We are also going to help out the 3rd class with their Bird feeders by buying them bird food for a month and spoons to make the bird

feeders with. We had an Art competition and there were some nice prizes. We will be coming around to each class to check the equipment and we will give a gift card to the best class that took care of their equipment this month. There will be a new suggestion box upstairs for any new ideas from the students.
From the S.C.

Well done to the winners of the student council art competition!

Madhatter's Day is today; the creations were amazing and there is a lovely air of happiness in the school. This morning all children will parade around the school hall, dancing to music, modelling their fantastic designs.

After school activities – Some after school clubs organised by our teachers will take place in term 3 - the details are attached to this newsletter and on the school website. **Contact details for the clubs are included in the flyers, any questions/applications about the after school clubs should go directly to the email addresses on the flyer only.**

School will close tomorrow, Friday for our Easter Holidays. Junior and Senior Infants will finish at 11:45, 1st-6th will finish at 12 noon and the Lighthouse classes will finish at 11:30.

Trocaire boxes can be returned to the school either today or tomorrow so that the money can be collected by Trocaire before the Easter break. Alternatively, visit the Trocaire website for other ways to make your donation or return your Trocaire box. Thank you for your support!

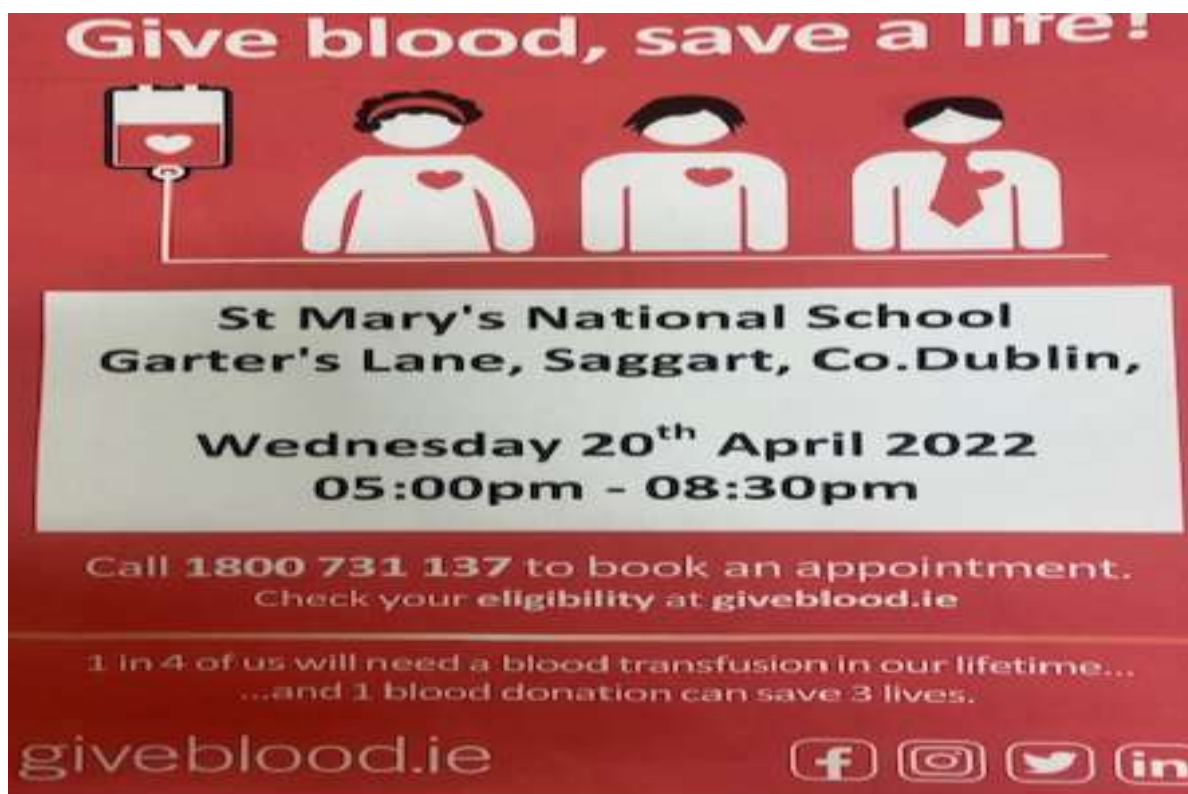

The PA Easter Raffle will take place tomorrow; children can buy tickets from their class teacher. Tickets will cost €1 per strip and there are prizes for all classes in the school.

Wishing you all an enjoyable Easter.

Kind regards,

Suzanne O'llill
Principal

Aoibhín Joyce
Acting Deputy Principal

Give blood, save a life!
