STUDENT COUNCIL

Our new Student Council has been selected. A representative from 4th, 5th & Class was chosen by the students. The student council will work together in the Stationery Shop and are committed to making the school a better place. The profit made from the Stationery Shop will go back into the school and the Student Council also donates money every year to a charity of their choice.

GARDA SÍOCHÁNA

On Wednesday, Senior Infants had a visit from Garda Colm. This was a lovely surprise as we are currently learning about People Who Help us with a focus on The Gardaí. The children learned about trusted strangers and they got to see the Garda radio, handcuffs and even the squad car. It was very exciting.

The Gardai also visited some of the older classes to speak with them about the dangers of fireworks.
